14) Coir Mattresses & Pillows	- Schedule - XIV
15) Bio-Fertilizers	- Schedule - XV
16) Disinfectants	- Schedule - XVI
17) Chalks	- Schedule -XVII
18) Printing	- Schedule-XVIII
19) Wooden Modular Furniture	- Schedule - XIX

All the State Government Department/Offices, Semi Government Departments, Government Undertaking Corporation, Autonomous Bodies etc. are directed to procure the above mentioned items through the Goa Handicrafts Rural & Small Scale Industries Development Corporation (GHRSSIDC), at the rates indicated in the attached Schedule only of GHRSSIDC at the rates approved by Rate Contract Committee (RCC) members in the meeting held on 26/04/2010.

The conditions for purchase of the Items are indicated below:-

1. As and when more items and more SSI Units are selected for rate contract, additional schedules will be added to the main schedule.
2. Items coming under rate contract shall not be procured from open market by Government Departments/and Autonomous Bodies unless necessary N.O.C. is issued by the GHRSSIDC. The Departments/and Autonomous Bodies shall quote the exact code of the items along with detailed specifications in the indent placed with the GHRSSIDC.
3. Indenting Office shall place supply orders on the GHRSSIDC with full specifications, quantity, place of delivery, etc., during the contract period in the normal circumstances.
4. On receipt of the items on behalf of GHRSSIDC, the indenting Department shall acknowledge the receipt in delivery challan in triplicate. In case items supplied are not as per specifications and to the satisfaction of the indenting office, the items shall be rejected.
5. In the event of failure to supply the goods or in case of any default in the specifications, quality of goods, the penalty imposed by the Consignee as liquidated damages or late delivery, etc. shall be borne by the associate SSI Unit concerned on whom the order is placed.

6. The indenting office shall make payment to the GHRSSIDC within 45 days of the receipt of the bill in duplicate along with receipted delivery challan failing which interest @ 10% p. a. will be charged by the Corporation which shall be binding on the indenting Department concerned.
7. Before making indent, the Departments/Offices shall ensure that funds are available to make payments.
8. The delivery of the material will be at the place indicated by the indenting Department unless otherwise specified in the Schedule.
9. The indenting Departments/Offices, etc. may take the assistance of MSMI, Government of India, Engineering College (Farmagudi) or ETDC, as far as quality is concerned if felt necessary and the cost, if any, on quality checking shall be charged on GHRSSIDC who will recover the same from the respective SSI Unit.
10. The commissions payable to the GHRSSIDC by the Department/Office indenting the material shall be 2% of the value, excluding taxes/levies, etc on basic cost and 2%, of the value, excluding taxes/levies, etc. on basic cost from the respective SSI Units empanelled under the Scheme.
11. VAT as applicable will be charged extra.
12. The rate contract will be for the period of one year from the date of issue of this order.
13. All manufacturing units shall be required to submit ISI or ISO Certificate within 6 months from the date of commencement of this Rate Contract.
14. If any dispute/difference of opinion arises in regard to any matter mentioned in this Order, the same shall be referred to the Secretary (Industries) Government of Goa

for decision and any decision of the Secretary (Industries) on such reference shall be binding on all the concerned parties.

15. Rate Contract Committee will meet every quarter to review the new additions of SSI Units to the Rate Contract. The Rate Contract Committee noted that the Tenders floated by PWD and other departments including Autonomous Bodies currently do not have a mandatory provision to procure items under rate contract and due to this loophole, considerable business is lost for SSI Units. The Rate Contract Committee decided that items in the composite tender floated by PWD/other departments and autonomous bodies must be compulsorily sourced under rate contract.
16. Heads of the Department/Autonomous Bodies shall not bypass the scheme on grounds such as delivery time, quality, etc. in case the head of the institution/indenting department procures items by violating the provisions of the PPS Scheme, then the Concerned official will be held liable for the same and action will be initiated against the concerned official or head of department.
17. It is observed that in many cases, orders and indents are placed by some offices without verifying the availability of funds with the Department, resulting in delayed payments for the SSI Units beyond 45 days, with amounts to the violation MSME Act. In cases of violation, the head of the department/office will be held responsible for the delayed payment.
18. In case of tenders floated by PWD, GSIDC or any other project implementing agency under the State Government, it shall be compulsory to procure items coming under the purview of the rate contract, and which form a part of the composite tender, from the GHRSSIDC. Items under rate contract shall not be clubbed in the composite tender and instead the concerned department

shall prepare specifications and estimates of items to be procured and forward the same to the GHRSSIDC for supply through empanelled SSI Units. The GHRSSIDC shall these items as per the specifications within a reasonable time frame.

19. The Director of Accounts/Pay and Account Officers of Autonomous Bodies/Corporations shall ensure that the items under Rate Contract are procured in accordance with this order and no bills shall be passed in cases where there are violations of these guidelines. The Heads of Department/Chief Executive Officers/Managing Directors of Corporations shall ensure that these guidelines are followed strictly during procurement of goods either directly or through composite tender.

This issues with the concurrence of Finance Department vide their U.O. Fin (Exp.)No.1411464 dated 10/05/2010.

By order and in the name of
the Governor of Goa

(B. S. Kudalkar)
Under Secretary (Industries)

SCHEDULE - I

ITEM: STEEL FURNITURE

Sr. No	Specification	Unit	Rate Rs.
1.	Executive Table of size 72”(L) x 36”(W) x29 1/2 ” (H) with table top of 18 mm thick Prelaminated Particle Board of reputed brand with 3 drawers on RHS with automatic locking arrangement, and locker with Shelf on LHS fabricated out of 20 g CRC Sheet. Pretreated for Antirust and oven baked paint finish.	One	8000/-
2.	Executive table of size 60”(L) x36”(W) x29 1/2 ” (H) with table top of 18 mm thick Prelaminated Particle Board of reputed brand with 3 drawers on RHS with automatic locking arrangement, and locker with Shelf on LHS fabricated out of 20 g CRC Sheet. Pretreated for Antirust and oven baked paint finish.	One	6400/-
3.	Medium Table of size 54”(L) x30”(W) x 29 1/2 ” (H) with table top of 18 mm thick Prelaminated Particle Board of reputed brand with 3 drawers on RHS with automatic locking arrangement, and locker with Shelf on LHS fabricated out of 20 g CRC Sheet. Pretreated for Antirust and oven baked paint finish	One	5700/-
4.	Office Table of size 48”(L) x 24”(W) x 29 1/2 ” (H) with table top of 18 mm thick Prelaminated Particle Board of reputed brand with 3 drawers on RHS with automatic locking arrangement fabricated out of 20 g CRC Sheet. Pretreated for Antirust and oven baked paint finish.	One	4250/-

5.	Office Table of size 36”(L) x 24”(W) x 29 1/2” (H) with table top 18 mm thick Prelaminated Particle Board of reputed brand with 3 drawers on RHS with automatic locking arrangement fabricated out of 20 g CRC Sheet. Pretreated for Antirust and oven backed paint finish.	One	3900/-
6.	Filing Cabinet 54”(H) x27”(D) x 18”(W) with 4 drawers runs smoothly on ball-bearing channels. Each drawer to have side rails to hold sliding filing pockets and having label holder etc. Automatic locker arrangement made out of C.R. Sheet 20 guage. Pretreated for Antirust and oven baked paint finish.	One	7510/-
7.	Filing Cabinet 29”(H) x27”(D) x 18”(W) with 2 drawers runs smoothly on ball-bearing channels. Each drawer to have side rails to hold sliding filing pockets and having label holder etc. Automatic locker arrangement made out of C.R. Sheet 20 guage. Pretreated for Antirust and oven baked paint finish.	One	6400/-
8.	Filing Folders: set of 25 nos filing folders of good quality paper with metal tipped channels for sliding over the rails in the filing cabinets.	One	900/-
9.	Office Cupboard 78” x36” x19” with 4 shelves making 5 compartments made out of C.R.C. Sheet 20 guage with good locking arrangement with stainless steel keys in duplicate. Pretreated for Antirust and oven baked paint finish.	One	6350/-
10.	Office Cupboard 78” x36” x19” with 3 shelves + locker, made out of C.R.C. Sheet 20 guage with good locking arrangement with stainless steel keys in duplicate. Pretreated for Antirust and oven baked paint finish.	One	6900/-

11.	Steel Cupboard of size 50" x 30" x 17" with 3 equal compartments, Made out of C.R.C. Sheet 20 guage with good locking arrangement with stainless steel keys induplicate. Pretreated for Antirust and oven baked paint finish.	One	4000/-
12.	Steel Cupboard of size 50" x30" x 17" with 2 shelves and a locker, made out of C.R.C. Sheet 20 guage with good locking arrangement with stainless steel keys in duplicate. Pretreated for Antirust and oven baked paint finish	One	4300/-
13.	Steel Cupboard of size 66" x 36" x 19" with 4 shelves, Made out of C.R.C. Sheet 20 guage with good locking arrangement with stainless steel keys in duplicate. Pretreated for Antirust and oven baked paint finish.	One	5700/-
14.	Steel Cupboard of size 66" x 36" x 19" with 3 shelves Made out of C.R.C. Sheet 20 guage with good locking arrangement with stainless steel keys in duplicate. Pretreated for Antirust and oven baked paint finish.	One	6200/-
15.	Glass door cabinet 78x36x19 with 4 shelves making 5 compartment with locking arrangement made out of CRC Sheet 20g, pretreated for Antirust and oven baked paint finished with 5 shelves.	One	7000/-
15. [a]	Locking Arrangement made of CR Sheet 20g pre-treated for anti-rust and oven baked paint finish with 5 shelves.	One	7400/-
16.	Book Case 66" x33" x12" with 4 compartments, each having disappearing shutters with glass panels, and lock having common keys. Made out of C.R. Sheet 20 guage. Pretreated for Antirust and oven baked paint finish.	One	5900/-

17.	Executive Chairs- Regular Model: (High Back with Cushion)20- 24”(W) x21-24”(D) x 16-20”(seat) & 48” (Back) Revolving, tilting and adjustable for seat height. Seat and back cushioned with good quality foam with 5 pronged drum castor wheel base.	One	3770/-
18	Premium Executive Chairs – Premium Model: (High Back with Cushion) 20-24”(W) x21-23”(D) x 16-20” (Seat) & 44” (Back) Revolving, tilting and gas pump for adjustment of seat height. Seat and back cushioned with High Density PU Foam, UP armrest with 5 pronged drum castor wheel base.	One	3770/-
19.	Executive Chairs – Regular Model: (Low Back with Cushioned) 20-23”(W) x21- 23”(D) x 16-20”(Seat) & 33” (Back) Revolving tilting and adjustable for seat height Seat and back cushioned with good quality foam with 5 pronged drum castor wheel base.	One	3295/-
20.	Premium Executive Chairs – (Low Back with Cushioned) 20-23”(W) x 21-23”(D) x 16-20”(seat) & 33”(Back) Revolving tilting and gas pump for adjustable for seat height. Seat and back cushioned with High Density PU foam, PU Armrest with 5 pronged drum castor wheel base.	One	3295/-
21.	Executive Chairs – Regular Model (Medium Back with Cushioned) 20-23”(W) x 21-23”(D) x16-20”(Seat) & 39”(Back) Revolving tilting and adjustable for seat height Seat and back cushioned with good quality foam with 5 pronged drum castor wheel base.	One	3295/-

22.	Premium Executive Chairs – (Medium Back with Cushioned) 20-23”(W) x 21-23”(D) x16-20”(Seat) & 39” (Back) Revolving, tilting and gas pump for adjustment for seat height Seat and back cushioned with High Density PU foam, PU Armrest with 5 pronged drum castor wheel base.	One	5000/-
23.	Stool fabricated from 18 g CRC Sheet frame Size: 12”x12”x12”x18” (H) with steel top.	One	350/-
24.	Chair (with cane seat & back with full arms) steel tubular frame of 16 g, 1” round ERW Pipe with continuous arms fitted with polished arm rests with Nylon Plastic cane woven seat and back with wooden frame, Size: 16-20” W x21-24” D x16-18” Seat and 36” Back	One	1650/-
25.	Chair (with cane seat & back without arm) steel tubular frame of 16 g, 1” round ERW pipe. Steel tubular armless chair with plastic cane seat and back. Size: 17”-21” W X 21-23” D x16-18” Seat and 36” back.	One	1500/-
26.	Chair (with cushion with full arm) steel tubular frame of 16 g, 1” round ERW pipe with continuous arm fitted with polished arm rest with Cushion seat & back. Size: 16-20” W x 21-24” D x 16-18” Seat and 36” Back.	One	2000/-
27.	Chair (with Cushion without arm) steel tubular frame of 16 g 1” round ERW pipe. Steel chair with cushion seat & back without arms. Size:17”-21 W x 21-23” D x 16-18” Seat and 36” Back.	One	1800/-

28.	Slotted Angles Racks 78" H x 36"W x 18"D with 5 shelves of size 36" x 18" Made from 20 g CRC Sheets and slotted angles of size 40mm x 40mm x 2mm Thick with nuts & bolts, corner plates, PVC bottom shoes, etc. Pretreated for Antirust and oven baked paint finish.	One	2200/-
29.	Slotted Angles Racks 78" H x 36" W x 24" D with 5 shelves of size 36" x 18" Made from 20 g CRC Sheets and slotted angles of size 40mm x40mm x 2mm Thick with nuts & bolts, corner plates, PVC bottom shoes, etc. Pretreated for Antirust and oven baked paint finish.	One	2950/-
30.	Slotted Angles Racks 78" H x 36"L X 15" D with shelves of size 36" x 15" made from 20 g CRC Sheets and slotted angles of size 40mm x 40mm x 2mm Thick with nuts & bolts, corner plates, PVC bottom shoes, etc. Pretreated for Antirust and oven baked paint finish.	One	2100/-
31.	Slotted Angles Racks 78" H X 36"L x 12"D with 5 shelves of size 36" x12" Made from 20 g CRC Sheets and slotted angles of size 40mm x 40mm x2mm Thick with nuts & bolts, corner plates, PVC bottom shoes, etc. Pretreated for Antirust and oven baked paint finish.	One	1800/-
32.	Slotted Angles Racks 36" H x 36"L x 12"D with 3 shelves of size 36" x 12" Made from 20 g CRC Sheets and slotted angles of size 40mm x 40mm x 2mm Thick with nuts & bolts, corner plates, PVC bottom shoes etc. Pretreated for Antirust and oven baked paint finish.	One	1300/-

33.	Slotted Angles Racks 36”H x 36” L x 15”D with 3 shelves of size 36” x 15” Made from 20 g CRC Sheets and slotted angles of size 40mm x 40mm x 2mm Thick with nuts & bolts, corner plates, PVC bottom shoes etc. Pretreated for Antirust and oven baked paint finish.	One	1500/-
34.	Slotted Angles Racks 36”H x 36”L x 18”D with 3 shelves of size 36” x 18” made from 20 g CRC Sheets and slotted angles of size 40mm x 40mm x 2mm Thick with nuts & bolts, corner plates, PVC bottom shoes etc. Pretreated for Antirust and oven baked paint finish.	One	1600/-
35.	Plan Filing Cabinets 23” H x 46” W x 30” D with 6 drawers mounted on precision to ball bearing for smooth effortless movement with automatic locking devices. Each drawer having Handles label holders, etc.	One	19900/-
36	Steel Industrial Lockers: overall size 78” x 36” x 19” having 6 individual compartments each having knob, label holder, ventilation louvers and Staple locking arrangement. Fabricated from 20g CRC Sheets and Pretreated for Antirust and oven baked paint finish.	One	7350/-
37.	Steel Industrial Lockers: overall size 78” x 36” x 19” having 8 individual Compartments each having knob, label holder, ventilation louvers and Staple locking arrangement. Fabricated from 20g CRC Sheets and Pretreated for Antirust and oven baked paint finish.	One	7900/-

38.	Steel Industrial Lockers: overall size 78" x 36" x 19" having 12 individual Compartments each having knob, label holder, ventilation louvers and Staple locking arrangement. Fabricated from 20 g CRC Sheets and Pretreated for Antirust and oven baked paint finish.	One	8500/-
39.	Steel Industrial lockers: overall size 78" x 36" x 19" having 18 individual Compartments each having knob, label holder, ventilation louvers and Stapled locking arrangement. Fabricated from 20g CRC Sheets and Pretreated for Antirust and oven baked paint finish	One	9700/-
40	<p>Personal Locker: Overall size 66" H x 15"W x 19" D with compartments having compartments each having knob, label holder, ventilation louvers and Staple locking arrangement. Fabricated from 20g C R Sheets and pretreated for Anti Rust and oven baked paint finish.</p> <p>1) 6 Compartments</p> <p>2) 4 Compartments</p> <p>3) 3 compartments</p> <p>4) 2 Compartments</p> <p>5) 1 Compartments</p>	<p>One</p> <p>One</p> <p>One</p> <p>One</p> <p>One</p>	<p>5500/-</p> <p>5000/-</p> <p>4500/-</p> <p>4000/-</p> <p>3500/-</p>
41.	Computer Chair: 19"W x 18"D x 16-20" Seat H & 36" H Back (seat Height adjustable between 18" to 22") with high density foam seat and back, revolving with adjustment for seat height and back inclination. Height adjustment for seat by hydraulic gas pump with PU arms 5 castor wheel base. All metal parts pretreated for Antirust and powder coated.	One	2890/-

42.	Premium Computer Chair: 19"W X 18"D x 20" Seat H & 36" H back (seat Height adjustable between 18" to 22") with high density PU foam seat and back, PP cover for backrest, below covered movable parts, revolving with adjustment for seat height and back inclination. Height adjustment for seat by hydraulic gas pump with PU arms & 5 drum castor wheel base. All metal parts pretreated for antirust and powder coated.	One	3190/-
43.	Premium Visitor's Chair : 19" W x 17" D x 20"H- Seat and 33"H- Back, with high density foam seat and back covered with good quality upholstery, with Polyurethane Arms, with MS powder coated cantilevered pipe frame. Nylon bushes provide for the base.	One	2990/-
44.	Computer table size 48" x 24" x 30" H made from Pre-laminated Particle Boards of reputed brand 18mm thick, with sliding keyboard drawer on smooth channels, shelves for Printer, UPS etc.	One	3900/-
45.	Vertical Computer Table: size 24" W x 18"D x 51"H made from Pre-laminated Particle Board of reputed brand 18mm thick, with sliding keyboard drawer on smooth channels, shelves for printer, UPS, stationary.	One	4000/-
46.	Personal Workstation: size 48" W x 18"D x 48" H made from Pre-laminated Particle Board of reputed brand 18mm thick, with sliding keyboard drawer on smooth channels, Storage with lockable door, shelves for printer, UPS, stationary etc.	One	4900/-

47.	Home Workstation : size 55" W x 20"D x 53"H made from Pre-laminated Particle Board of reputed brand 18mm thick, with sliding keyboard drawer on smooth channels, Drawer Storage with lock, Overhead storage for CDs, books etc space for UPS, etc.	One	6200/-
48.	Providing and fixing of class room study Tables – Benches of pre-laminated Particle Board comprising of 838mm x 360mm x 25mm thick top writing board with shelves made of 600mm x 245mm x 20mm thick, bench seat of 835mm x 300mm x 25mm thick and back support of 838mm x 225mm x 25mm supported on a pre-fabricated M.S. Frame of size 25mm x 25mm square M.S. tubes of Min. thickness 1.8mm with required fixtures, anti-corrosive paint, rubber busing at the bottom, footrests, etc	One	3700/-
49.	All time Modline deluxe green magnetic chalk board with aluminum anodized elegant frame with high quality synthetic resin coated steel surface for writing purpose of sizes (i) 3' x 4' (ii) 6' x 4'	One One	2600/- 6000/-
50.	Pigeon Hole Cabinets: overall size 78" x 36" x 19" internally having individual required number of compartments Fabricated from 20g CRC Sheets and Pretreated for Antirust and oven baked paint finish. 1. 12 Compartments 2. 18 Compartments 3. 24 Compartments 4. 36 Compartments 5. 48 Compartments 6. 78 Compartments	One One One One One One	7200/- 8500/- 9500/- 11300/- 13050/- 20000/-

51.	Sofa Set: 5 seater (1+3+1) Made from 1 st quality teak wood frame work and melamine polished for smooth and scratch resistant finish. High density moulded PU Foam seat and back having removable covers in good quality tapestry.	One	25000/-
52.	Centre Table: Made from 1 st quality teak wood frame and melamine polished for smooth and scratch resistant finish. 8mm thick tinted glass top of size 36" x 18"	One	4500/-
53.	Conference Table: fabricated from Marine Grade Block Board and covered with teak veneer and melamine polished with 12mm tinted glass top: Size: 6' x 4' 8' x 4'	One One	13,000/- 19,000/-
54.	Pin Up Board: fabricated from plywood backed soft board with flannel covering of chosen color and timber border: Size: 3' x 2' 4' x 2' 4' x 3' 6' x 3' 6' x 4'	One One One One One	2,700/- 3,600/- 5,400/- 8,000/- 10,500/-
55.	Chalkless Board: fabricated from plywood backed whiteboard with timber border: Size: 3' x 2' 4' x 2' 4' x 3' 6' x 3' 6' x 4'	One One One One One	1,800/- 2,400/- 3,500/- 5,400/- 7,200/-
56.	Student Chair: fabricated from ERW pipe frame work with perforated CRC Sheet seat and back, collapsible writing tablet with wire tray for books etc beneath the seat. Entire chair pretreated and powder coated.	One	2900/-

57.	Student Chair: fabricated from ERW pipe frame work with cushion padded sheet seat and back, collapsible writing tablet with wire tray for books etc beneath the seat. Entire chair pretreated and powder coated.	One	3,100/-
58.	Cushioned Sofa Set: comprising of three seater and two single seaters fabricated from good quality timber frame work, high density foam and micro polyfill and covered with tapestry of chosen shade or quality composite leather.	One	24,000/-
59.	Cushioned Sofa Set: comprising of three seater and two single seaters. Frame work of Stainless steel tubes, high density foam and micro polyfill and covered with tapestry of chosen shade or quality composite leather.	One	32,000/-
60.	Centre Table of stainless steel frame work with 8mm Tinted glass top of size 36" x 18"	One	4,000/-
61.	Dining Set: Table of teak wood frame work and 12mm Glass Top of size 60" x 36" with 6 nos Dining chairs of teak wood frame work with seats having high density foam padding covered with tapestry of chosen shade. All exposed teak wood melamine polished in approved shade.	One	27,000/-
62.	Canteen Dining Sets: Table of MS powder coated frame with marine plywood covered with laminate of choice in size 48" x 36" with 4 nos Dinning Chairs of MS powder coated frames with seats having high density foam padding covered with tapestry of chosen shade.	One	10,000/-

63.	Canteen Dining Sets: Table of MS powder coated frame with marine plywood covered with laminate of choice in size 60" x 36" with 6 nos Dining chairs of MS powder coated frames with seats having high density foam padding covered with tapestry of chosen shade.	One	14,500/-
64.	Bunk Beds - comprising of 2 single beds of size 78" x 36" mounted one above the other. MS powder coated frame with legs of 2" round ERW pipes and base of 18g bent sheet metal having frame of 2" x 1" ERW pipe with cross support of 1" square Pipes. Side safety rails ladder to be provided to access top bed. Pretreated for Antirust and oven backed paint finish	One	10,400/-
65.	Premium Executive Table: fabricated from Marine grade plywood / block board covered with good quality teak veneer, having paneling, edge beading, moulding in teak wood. Table top of size 72" x 36" with 8mm glass, having 3 drawers with central locking facility. All exposed surfaces melamine polished in chosen shade.	One	12,000/-
66.	Premium Side Table: fabricated from marine grade plywood / block board covered with good quality teak veneer, having paneling, edge beading, moulding in teak wood. Table top of size 42" x 18" with 8mm glass, having sliding shutters with lock and keys. All exposed surfaces melamine polished in chosen shade.	One	11,000/-
67.	Premium Computer Side Table: fabricated from marine grade plywood / block board covered with good quality teak veneer, having paneling, edge beading, moulding in teak wood. Table top of size 42" x 18" with 8mm glass, sliding Keyboard drawer, space for CPU and small drawer for floppies, CD's etc. All exposed surfaces melamine polished in chosen shade.	One	11,500/-

SCHEDULE - II

ITEM: POLYTHENE BAGS ABOVE 40 MICRONS

The processing charges are as below. Since the rates of raw material i.e. Polymer granules of various categories are subject to wide fluctuation as their prices are dependant on world petroleum prices and it is not possible to anticipate the price movement in advance, and hence the GHRSSIDC will obtain rates of raw material from manufacturer like Reliance Industries Ltd. and Haldia Petrochemicals Ltd and will consider the processing rates submitted by the units under the rate contract to arrive at a final selling rate which will be informed to the indenting departments.

Sr. No.	Specification	Unit	Rate per kg
1.	Processing charge for Polythene Bags above 40 micron	Kgs	Rs.13/-

<u>Name and Address of the Units</u>

PRINTING JOBS

The GHRSSIDC will obtain indents from various departments and autonomous bodies for undertaking various types of multi color/mono colour printing jobs. For Govt. Departments who have received NOC from the Department of Printing and Stationery (Govt. Printing Press) will be required to send their supply requirements with sample to GHRSSIDC with a copy of NOC issued by department of Printing and Stationery (Govt. Printing Press).

The following parties are empanelled for printing jobs:

1. **M/s Herald Publications Pvt. Ltd., Panaji.**
2. **M/s Big Box Print & Packaging, Verna.**
3. **M/s Casa J.D. Fernandes, Panaji.**
4. **M/s Creative Infografix, Panaji.**
5. **M/s Bandekar Offset, Curchorem.**

Note:- Sealed tenders will be invited from the empanelled units upon receipt of indents along with the sample and artwork from the respective departments. In case the printers are unable to execute high quality/specialised printing jobs, then GHRSSIDC could give NOC to the respective departments to get the work executed in the open market.
